

fact, the sales tax is collected. I...and would recommend that this amendment be adopted. There is a point to 136 in trying to identify end users who have not paid the sales tax. This exempts that select group of businesses who are out of state but already collecting the in-state appropriate sales tax, whether it is state or local option. So, if there are other questions, I would respond to them, but I would otherwise encourage the adoption of this amendment. Thank you, Mr. Speaker.

SPEAKER WITHHEM: The Chair recognizes Senator Warner for discussion of the Coordsen amendment.

SENATOR WARNER: Mr. President, just briefly. I'd rise to support the amendment and indicate again, as Senator Coordsen has said, there's no need for the provisions of LB 136 from these business entities, because they're already...the proper sales tax is being collected.
